Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

Patentees respectfully request that a Certificate of Correction be issued in the subject patent, pursuant to 35 USC § 254 and 37 CFR § 1.322, to correct the errors shown on the attached Form PTO-1050. A check in the amount of \$100 to cover the cost of the Certificate is attached.

One or more of the errors shown on the attached Form PTO-1050 are within the responsibility of the applicant; each thereof is of a clerical or typographical nature or of minor character and occurred in good faith, and the correction thereof is consistent with the prosecution record. The error in col. 3, line 15, was made in our November 1, 2004 Amendment, "IN THE SPECIFICATION", in which we inadvertently omitted text of the original specification at page 4, line 18. This Request for Certificate of Correction therefore requests to reinstate that inadvertently omitted text.

For the convenience of the Patent and Trademark Office, attached is a photocopy of FIG. 4, on which the drawing errors have been noted in red. Also attached is a copy of corrected FIG. 4.

Respectfully submitted,

STAAS & HALSEY LLP
